

EAST HAMPTON VISITING NURSE ASSOC.

(NEIGHBORHOOD HOUSE)

EAST HAMPTON, NEW YORK

April 1st 1963

Things are going along as usual at
The Neighborhood House. We have 57
Children registered at the Nursery school.
Attendance was very good up until Xmas,
after that the minor diseases such as
colds, Chicken pox and Measles kept a
great many at home. We had to
have two extra people to help with them
until Xmas. Money-wise we haven't
done too bad either, The Nursery school
has taken in \$1,378.00 to date.

We haven't been able to take in quite
so much this winter on Private Parties
because of the house being used so
much by The Church League Basket ball
teams. Between the games and
the practice the gym was used every
night and Sunday afternoons as well.

Mrs. Vetault has been giving Ballet lessons here two afternoons a week. St. Matthew's Guild has met most every Tuesday afternoon, and The Women's Service Club meets every Thursday night as always. The Boys Scouts meet in the Gym every Tuesday night, and the Cub Scouts have their pack meeting here the last Friday in every month. The Welfare Administrator distributes the Federal Surplus Food here once a month. The Women's Republican Club, and the Maidstone Gun Club meet here once a month also.

This year we are a little better off than usual. We have three men ready and willing to do the odd jobs and minor repairs, namely Mr. Howard Ott

Mr. Selah Lester and Mr. Stewart Dalton.
I don't know how long it will last, but
I'm enjoying it while we have it anyway.

Clara P. Lester.
