Dear

This is our annual request for your financial help to maintain our NEIGHBORHOOD HOUSE. (1)

For many years the Neighborhood House has been an important part of our community — as most of our older residents realize. It meets the needs of many age groups through a day nursery to dances for teenagers with careful supervision and is a meeting place for the Boy Scouts and other clubs and community projects.

We are proud of our record of usefulness and need the support of all the residents — summer and winter — who enjoy living in our fine community. I can assure you your gift in any amount will be appreciated.

Sincerely yours,

Checks payable to:  
East Hampton Visiting Nurse Association  
tax deductible
