Dear *Mr. Miller*:

May 1, 1964

The Board of Directors of the East Hampton Visiting Nurse Association (more familiarly known as THE NEIGHBORHOOD HOUSE) is proud of the services which are being rendered and is not hesitant in soliciting your financial support.

Among other activities, the facilities are used by the Church League Basketball Teams for practice and for their games, and over a hundred boys and girls, aged nine to fourteen, use our gymnasium during the basketball season. We also have a popular nursery school, with forty-seven children registered this year. The Service Club, which has an active membership of over thirty-one ladies, meets regularly in the building to work on special projects. Mrs. Lester, our Resident Director, runs a full schedule and fits in many meetings and other activities, so that the facilities are in constant use the year round.

Seventy-five per cent of our budget of approximately \$10,000.00 is provided by contributions from our friends and neighbors and we appreciate all donations, the small as well as the larger ones. We LIVE on YOUR INTEREST.

Very truly yours,

Margaret E. Starke
