Dear Friend,

Your generosity in the past has helped The East Hampton Neighborhood House serve our town as an only affordable community center for almost 100 years.

Our new brochure outlines the many diverse activities held at the Neighborhood House each year and also gives a brief overview of how it has served East Hampton for all these years. . .

The first part of our building was built 90 years ago! To be sure it has been painted and patched from time to time, but it now needs major roof repair, window replacements and kitchen modernization. We would also like to establish a scholarship fund to help families who need tuition assistance.

So, once again, we are asking you to support our annual fund drive. Our goal for fiscal 1998/99 is \$100,000.00 which will enable us to meet our needs. If you would like to see our facility, give us a call. We would be happy to show you around!

Please be as generous as you can to help this important community center continue to serve its neighbors. I thank you in advance for your help.

Sincerely Yours,

**Michael Helm**
