Dear Jim -

The reply to your letter of February 5, 1979 has been a long time coming - but - for only one reason. We have had no meeting since then. However, today we had our Annual and Organization meetings and your letter was read at both meetings.

The Board of Directors is most grateful for your suggestion that the Barbershop Concert become an annual affair for the benefit of the Neighborhood House. We are all aware of the great amount of work that goes in to preparing for such an evening and are in complete agreement that every effort must be made to fill the "house" for the occasion.

We feel certain that with time to publicize the affair and organize the selling of tickets there will be no problem.

You mention a Wednesday evening toward the end of January - that date sounds good. If you will let us know well ahead of time of the exact date we will all put our shoulders to the wheel and concentrate our efforts on making the night a big success.

We do thank you.

Sincerely,

Avis S. Usher  
Secretary
